

# High Fives!

For those who go the extra mile!

A huge THANK YOU to Lynn Riggs! Lynn is an evening custodian at the Courthouse who took her own time and resources to make over 40 cloth face coverings. She has graciously donated them to the County to distribute to employees who may need one. *Terri Palm*

I would like to give a “High Five” to Oral Rowland and Michael Last for assisting the Economic Support Unit at Human Services by developing and testing a time sheet process for our staff to use while they are teleworking, and do not have access to the Employee Time Sheet system at home. Thanks for all the time and patience you provided to get this up and running. Also, thanks to Dana Dietschweiler for coming up with the original idea for this “project”. *Sandy Torgerson*

Thank you to everyone who has helped keep our facility safe and clean... *Larry Meyer*

High 5 for MIS!

We would like to give a big shout out to our MIS department. John and crew are extraordinary. Through their expertise and guidance we were able to have our staff transition to delivering mental health and substance use services through telehealth and other staff work from home. This had to happen very quickly. Together we did it! JeffCo residents continue to receive necessary services. Our MIS department was able to solve issues as they arose and found us needed equipment. They did it all with patience and poise. They all had to quickly build us new tools to additional requests for services and new forms Truly amazing!!! We are honored to work with awesome and kind experts! We can’t thank you enough. *—Human Services*

One high five to the County Clerk and Election Staff Audrey, Deb and Kay for all their work in getting cleaning supplies and pens to all the municipalities for safety. And the countless multitudes of absentee envelopes and still smiling this last election was trying for everyone but kudos to these ladies!!!! *Donna Miller*

High five to Terri Palm and Ben Wehmeier and Donna Haugom and Marc DeVries and the countless others that have been keeping up with all the daily changes with Covid-19 and keeping all the employee’s safety and well-being at the forefront in all of the changes evolving, sometimes by the hour. I really appreciate all the effort put forward. *Donna Miller*
